ONE MINUTE PEDICURE®

The 100% natural care peeling for legs and feet is rich in essential oils, vitamin E and sea salt from the Atlantic and gives even very dry, rough skin new softness. With its calming fragrance and moisturising oils, it provides an immediate sense of well-being, relaxes tired feet, removes dead skin cells and cares for the cuticle.

SILKY TOUCH

Luxurious silky foot powder with deodorising effect and fresh flowery smell. Keeps your feet dry, pleasantly fragrant and provides a silky skin feeling. A gentle gleam keeps feet and legs looking well-cared for.

TIP TOP TOES

Specifically designed professional file for shorting and shaping foot nails fast and safely.

SMOOTH OUT

The mechanical hard skin remover smooths softly, removes rough patches and calluses.

TREATMENT SOCKS

Give your feet intensive care – day by day! The Treatment Socks provide an instant sense of well-being and wonderful soft skin. While you are wearing them, high-value nutrients and moisturisers are constantly emitted. Dry, horny or callused skin becomes wonderfully smooth and soft again. You will see and feel the results right after the first application.

DISCOVER THE MOST SENSUAL AND EFFECTIVE CARE FOR YOUR FEET

Well-groomed feet are wonderful: they look very sexy, have an unbelievable tempting effect and make us feel completely well.

With Pedix, alessandro succeeded in combining all important factors for a perfect and sensual foot care in innovative products: easy application, highly-effective care and protection, natural active substances and the fantastic scent of the products give you immediately a wonderful wellness-feeling. The secret of the new Pedix foot care range is an absolutely new active substance called "Marina Vital®". This water, very rich in nutrients and vitamins, biotope of a special type of algal, is used as

a luxurious concentrate of active substances in PEDIX. Its highly-effective, natural ingredients – like proteins, minerals, oligo-elements, vitamins, amino acids and polysaccharides – are like a protective coating for your skin: your defensive action is strengthened, highly moisturised, cared for and protected against free radicals. Your feet will become an eye-catcher for sure only after a few applications.

Live to see foot care absolutely new! Give yourself and your feet dreamlike care, silky, soft skin and a perfect look – for the most tempting feet you ever had.

CRYSTAL ICE

Gloriously refreshing cream gel for tired, sore and heavy legs. A luxurious MarinaVital® active substance supplies the skin with effective care, selected plant extracts provide a stimulating effect giving the feet and legs instant lightness. When used preventatively, Crystal Ice improves the microcirculation within the tissue. Non-greasy. Long-term effects.

MARINAVITAL® ANTI-FUNGAL LOTION

Highly effective, germ-inhibiting cream lotion for prevention of fungal and bacterial infestation. The luxurious algal extracts and moisturiser care for the skin on a long-term basis. The pleasantly cooling lotion transforms on the skin into a micro-thin, not visible powder film which effectively absorbs foot odour and sweat.

GO LIGHTLY

Intensive hard skin remover for immaculate silky smooth feet. Removes calluses gently but effectively since the light lotion penetrates the callused skin cells and removes them. Thus, hard skin is removed fast and safely by taking care of the re-growing soft skin.
